

## What a term!

Our first term ever at Beenyup Primary will be one we will never forget from the first day of school to the range of 'firsts' we have experienced as a school community. Who would have thought this would include operating in a state of emergency and therefore be preparing for online learning! Our amazing team have taken on this challenge and I would like to thank them for their dedication and grit as they have pulled together to support each other and our Beenyup families. They have been working extremely hard to prepare for teaching and learning to be delivered online from the start of Term 2 in conjunction with hard copy resources to support our children's learning. I would like to thank our families for their ongoing support and even though we are experiencing extraordinary circumstances, we will continue to work in partnership to build brighter futures together for our children.

## Student leaders

Congratulations to all of our Year Five and Six students who bravely presented their student leader speeches to the Year 3 – 6 students this term who then voted along with our team of staff. It is with great pleasure that I announce our student leaders for 2020 (who will forever be known as the first student leaders of Beenyup Primary):

### Year 5

- Oscar
- Stephanie

### Year 6

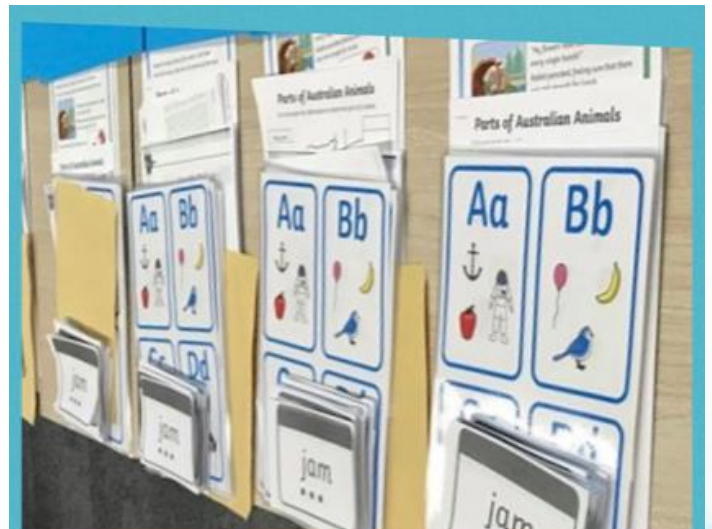

- Jett
- Keira
- Chace

Congratulations to our student leaders. The recording of the student leader announcement link was posted on Connect for our Year 5 / 6 families to view. Thank you to all of the students who lead without title as well; in doing so they make Beenyup Primary the wonderful school it is.

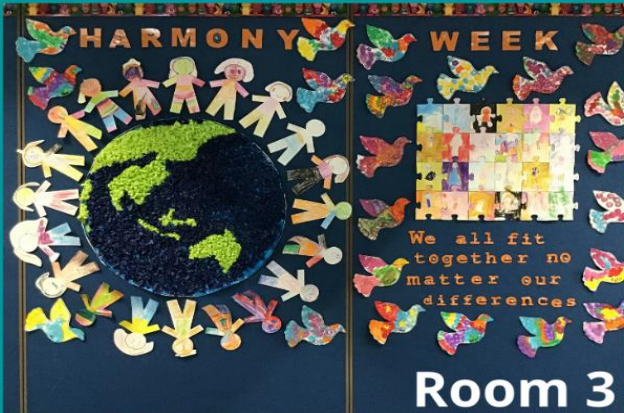

## Stay safe

From our team of staff to our wonderful Beenyup families, whilst we miss seeing your smiling faces every day, please stay safe and look after yourselves during this time.
