

# Dress Code for Students

## Uniform Policy

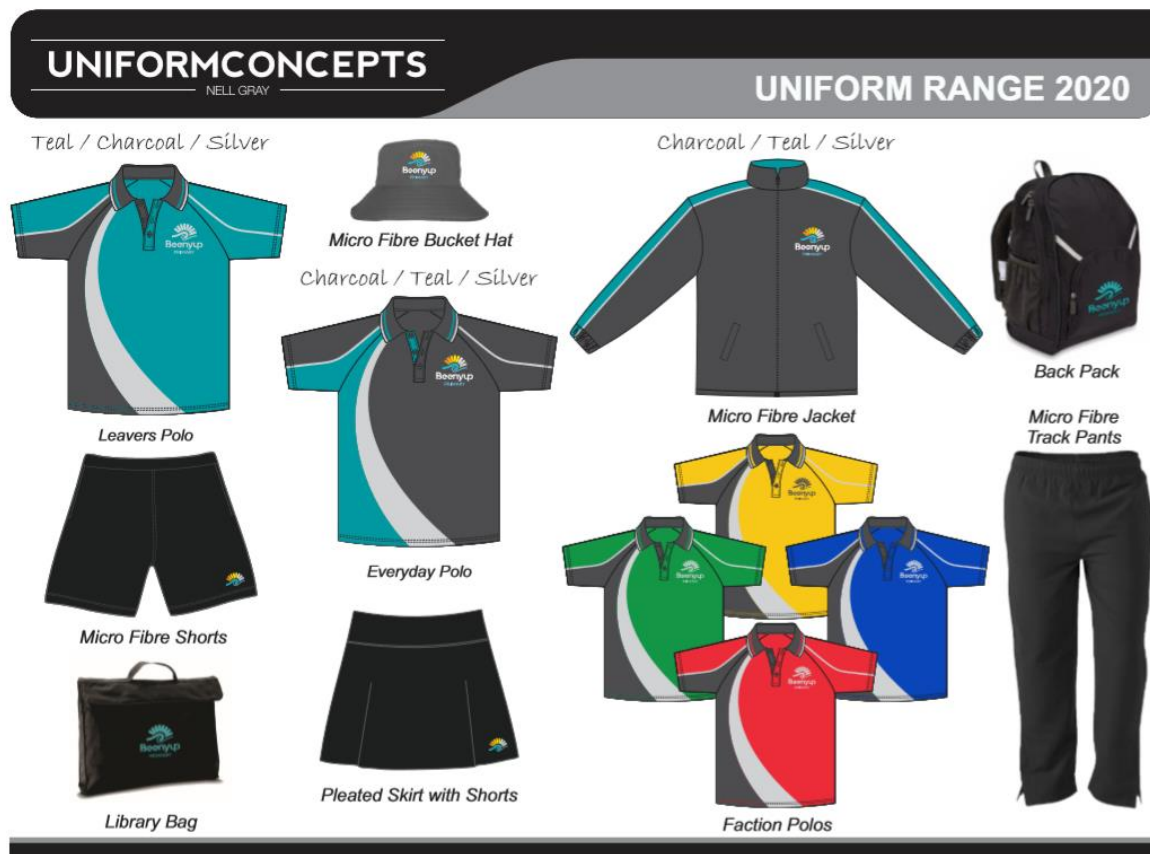

December 2023

*Building brighter futures together*

The Beenyup Primary School uniform plays an essential role in promoting a sense of belonging, student pride, developing self-confidence and establishing a positive identity within the community. At Beenyup Primary, acceptance of enrolment denotes an agreement between the parent and the school that the student will dress in accordance with the school's uniform policy. Every student is expected to comply with the uniform policy in the same way that they are expected to comply with all school policies. The uniform policy includes the wearing of a hat throughout the year as our "No Hat - No Sun" policy will continue throughout the whole year. It is an expectation that students are dressed in uniforms that are neat, tidy and clean at all times. To avoid any loss and inconvenience, all clothing should be labelled.

When a student is out of uniform, they will need to report to the Office for a uniform pass. Students who receive more than 5 uniform passes during the term will be ineligible to attend our whole school reward play which is not an essential part of the educational program for students.

Parents who are unable to provide uniforms for their children because of financial stress or matters beyond their control, such as shortage of supply, will be supported by the school so that students concerned will not be disadvantaged.
